Get in, sit down, shut up and hang on! Double Barrel Entertainment are back amongst the extreme equine / bovine business of rodeo! This time round DBE are taking over the reins and hosting the annual rodeo spectacular at the amazing Harvey Dickson's Country Music Centre at Boyup Brook. In collaboration with our good friends from The Beer Farm, Red Tents Events and Velvet Mornings, we plan to bring you a weekend full of excitement, entertainment, hospitality and family fun with a big emphasis on quality!

Friday afternoon we will open the gates to all pilgrims, cowboys and cowgirls; it's pretty simple and laid back, find yourself a camp spot in the picturesque shady paddocks next to the rodeo grounds and get yourselves set up and settled in for a weekend of YEEE HARR!

For those who get in quick there are limited tickets to the Friday night Shindig in Harvey's Music Shed, also known as the best man cave in Australia. The original wagon local pioneers the Muir family rode into the area in 1884 hangs from the rafters along with one of the best collection of farm and family life paraphernalia that the property has lovingly kept over the generations.

Saturday is Main Event Day so grab the whole family and head into the Rodeo grounds. Sculptures, old trucks, and even a plane make it every boys dream farm. Great coffee and food is served up all day and enjoy a Full Point Rodeo with the bravest of folk matching themselves against the clock and the animal for a chance to win points and prize money.

The afternoon winds up and the main stage gets going with some of Australia's most exciting live acts. So if you like your action to be adrenaline fuelled and your music live, get yourself down to Harvey Dickson's Rodeo this October and soak up the country atmosphere in the best hidden treasure of the South West...at the Country Music Centre just out side of Boyup Brook.

Tickets available from Try Booking or through the website www.doublebarreleentertainment.com.au
